We are asking for your help.

- The Concern:** There are middle school students in San Antonio who are below grade level in one or more subjects.
- The Solution:** One-on-One Academic Tutoring and LearningRx Brain Training at Taute & Mays Academy – part-time or full-time!
- The Problem:** Many families are not budgeted to pay the FULL month-to-month cost for “extra help in school” for their children.
- THE NEED:** Your fully tax-deductible, charitable donations to Taute & Mays Academy will allow these students to catch up, continue their education – and “beat the odds”!

Taute & Mays Academy operates year-round, and we are seeking monthly financial donations to help 4th – 8th grade students succeed – in school and in life!

Taute & Mays Academy also serves the needs of other students. For example, a younger student recently came to our school because he was so advanced that he didn't fit into the regular classroom -- and the only “solution” was to send him to a behavior alternative school, even though he is just 8 years old. At TMA he is achieving two grades above his grade level, and he is receiving positive reinforcement through creative writing classes. In addition to tutoring, success in our creative arts programs leads to improved academics!

Thank you!
Annette Taute and Sally Mays Anderson

Taute & Mays Academy *Silver Wings of Learning and Creative Arts* is a private, non-profit, non-denominational, co-educational, Christian school, not affiliated with a church, which provides A Positive Alternative for grades 4th – 8th. Taute & Mays Academy has been granted 501(c)(3) status by the IRS, and all charitable gifts to the school are tax-deductible.

After sufficient funds for tuition are received to meet the needs of our part-time and full-time academic tutoring/brain skills training students who arrive below grade level, additional donations will be used for other low-income students, for expansion of creative arts programs and for other needs at Taute & Mays Academy.
